SENIOR ALL STAR BOWLING ASSOCIATION

SASBA is a non-profit corporation owned by its members, formed to conduct scratch bowling tournaments for bowlers fifty and older and their guests. SASBA's first tournament was in Rosenberg, Texas in April, 1990 with 33 entrants. Since that first tournament, over twenty years ago, there have been more than 800 events, which are now averaging in Texas more than 100 entries each. The membership has grown to over 300 bowlers from 23 states. SASBA is open to any bowler over the age of fifty (including PBA members) and there is no minimum average requirement. There is an initial membership fee of \$60 and an annual renewal fee of \$30 until age 70. Tournaments are held in Texas, Oklahoma, Louisiana, and Arkansas. SASBA is sponsored by BRUNSWICK and balls provided by BRUNSWICK are sold at discounted rates to help raise money for the general fund.

Other than dues and ball sales, all of SASBA's income comes from running brackets. Because of this, our policy is to allow other people to "enter" bowlers in brackets...if available. More brackets means more income for the association. More income for the association means more "added money" for all tournaments, including the ones the guests bowl in. Each bowler has first call on as many brackets as they want. Once they have entered as many as they want, someone else may put them in additional brackets, side pots, big boards, etc. The bowler is not entitled to a "tip" or share of the winnings, if any. They also aren't responsible for any losses incurred. The person entering them may give a "tip" if they wish, but it is their choice.

The tournaments are generally singles events with an entry fee of \$180, \$190, or \$230, depending on format and amount of added money. There also are some tournaments with other formats including doubles, trios, and team events. There is a foursome mixed tournament, where many of the best women bowlers and younger men team up with our members. And, there are member-guest tournaments, where a member can bowl with a partner regardless of age or sex (even another member). There are trio formats and the bowling year is capped off with our annual team tournament where any member who has qualified by bowling in earlier events can bowl with other members in a team/individual match play format. The computer picks evenly matched teams based on individual SASBA tournament averages during the year.

There is a \$20 sweeper with five or six squads on Friday afternoon before most every tournament. Some hosts will run a Pro-Am on Friday night. This will require volunteers to bowl in the Pro-Am. The tournament schedule will be posted at the desk when you arrive. Please check with the tournament director to let them know that you are in town. Most centers will have a special practice price for SASBA bowlers. There will be a bowler's meeting, usually at 8:00 a.m. on Saturday. Newsletters, available on the SASBA web site (www.sasba.com), provide the starting times and other details for upcoming tournaments. Lane assignments are generally posted on the website by Thursday.

On the regular format, bowlers will be divided into two squads. Each squad will bowl an 8-game qualifying block on Saturday. "A" squad will usually start at 8:45 a.m. Saturday, "B" squad will bowl at 1:30 to 2:30 p.m., after the lanes are re-oiled. The field will be divided in half by score and both groups will bowl four more games of qualifying on Sunday morning. The lower half of the field starts at 8:45 a.m. and the upper half at 11:00 a.m. Saturday squads will be determined by a blind draw, unless you have specific needs and can't bowl one or the other. The finals will usually start at 1-2 p.m. Sunday (after re-oiling) with eight games of match play. The number of bowlers taken to the finals depends on the number of entries. Typically, 12 bowlers will go to the finals for 59 or fewer entries, 16 for 60-79 entries, 20 for 80-99 entries, and 24 for 100 or more entries. When entries are low and lanes allow, we bowl all on one squad. In this case, the Saturday shift starts at 9:00 - 9:45 a.m., with eight straight games.

Sunday morning, we start at 8:45 a.m. with four more games, and then the finals will follow. Typically, there is no re-oiling before the finals when there is only one squad on Sunday morning. Thirty bonus pins are awarded for each win in match play. The order of finish for the finalists is determined by total pins in qualifying and match play (twenty games total) plus bonus pins for match play wins.

One in three will cash, except for some of the \$230 tournaments where one in two cash. First place will be at least \$1000. Super Senior (60 and over) prizes will usually be awarded to some non-cashing Super Seniors. Special prizes will be awarded to some high Sunday block non-cashers. If you score poorly on Saturday, it is common courtesy to show up on Sunday. You might learn something...and you can still get a check.

SASBA's bowling courtesy rule works great when everybody follows it. First, be ready to bowl when you are up. When a bowler has rolled a ball on your pair, you must wait for a bowler on the pair to the left and the pair to the right to roll a shot, *and then* it is your turn. If you don't understand it, please ask. Once you are used to it, you will agree that it is the best courtesy rule in use. During practice, it is common courtesy to throw one shot at a time, not stand on the lane and wait to shoot your spare, as is common in many league practices. Your group can get a lot more shots if they don't have to wait on you to shoot your spare. If you want to shoot a 10 pin or some other spare, ask the person following you. They will usually consent, but it is his/her call.

Although SASBA tournaments are not USBC certified, USBC rules are followed unless specifically stated otherwise. Any USBC approved balls are okay. Plugged balls are okay. SASBA reserves the right to check any ball. Sanding or polishing balls after play has started will not be tolerated. However, it is allowed during the practice session. Cleaning balls during competition is only allowed to remove foreign substances (such as rubber from lift belts) from the ball surface (lane oil not included). A USBC certified cleaner must be used. You can wipe off lane oil with a dry towel. If there is doubt, bring the ball to the tournament director.

SASBA's dress code requires that all members have a shirt with their name on the back while bowling. Slacks only, no jeans or shorts and no headgear. Female members must follow the same dress code. Capri pants are allowed...as are knickers for men. Guests are encouraged to wear name shirts as well. Male guests must wear slacks. Female guests are allowed to wear slacks, walking shorts or skirts. Both must wear collared shirts or bowling industry sponsored mock Ts. No regular T-shirts or jeans will be allowed.

SASBA bowls on the house's tournament shot. We ask proprietors to try to achieve parity between the left and right side. Some will be easy and some will be tough. It's up to the house. To the extent possible, we will use the same number of pairs on each squad, using three on a pair as needed. In the case of a tie for the last spot in the finals of the tournament, high last game will break the tie if more places are paid under the finals cashers. If there are no paid spots under the finals, then a one-game roll-off will be used to break the tie.

Please mail or turn your entry in early. Entry forms are available in the Newsletters and on the SASBA web site. They should be mailed to: SASBA, 2321 E. Common St. #200, New Braunfels, TX 78130, Attn. Kathy King. If you have to withdraw before bowling begins because of an emergency, your entry will be credited toward a future tournament. No entries will be accepted after the bowler's auction is completed.

SASBA members are the greatest! We are having fun! After the age of fifty, it is great to have a sporting event on a world-class level that we can compete in.

Tournament Formats

Regular Singles Format (Entry fee: \$180) - This format is open to all SASBA members. Qualifying consists of eight games on Saturday and four games on Sunday morning with the 12 game totals deciding qualifying position. The top qualifiers bowl eight games of match play with 30 bonus pins for winning each match. Total pins from both qualifying and match play will determine the final order of finish. The regular singles format allows for 1 in 3 cashing, plus checks for non-cashing Super Seniors and high Sunday qualifying 4-game block. Some Super Senior tournaments using this format will be scheduled as well.

Annual Championship (Entry fee: \$230) - This format is open to all SASBA members with at least one tournament bowled in the current year. Qualifying consists of eight games on Saturday with bonus pins each game for winning matches against two other bowlers on your pair. Sunday, the top half of the field returns to bowl single elimination two game matches until a champion is determined. One in two cash and there is a second chance event Sunday for the non-cashers. There are no checks for Super Seniors or for high Sunday qualifying blocks.

Champ/Non-Champ Doubles (Entry fee: \$190) - This tournament format requires two SASBA members to enter as a team. Each team member bowls eight games on Saturday and their total pins are combined to determine their qualifying position. The qualifying teams (1 in 3 up to 24) return on Sunday for Baker doubles style match play games against the other teams with 30 bonus pins for winning each match. The winning team is determined by total pins from Saturday plus Sunday. Team eligibility criteria:

- A SASBA Champion of any age and a non-champ of any age
- Any two non-champs of any age
- No two PBA Tour champs can bowl together
- Any SASBA title qualifies you as a champ

Trio Tournament (Entry fee: \$190) - This tournament format requires three SASBA members to enter as a team. Each team bowls matches against other teams on Saturday and Sunday. Points are awarded for each game won leadoff position vs. leadoff position, 2nd position against 2nd position, anchor against anchor, and team total pin fall against team total pin fall. Each round is a position round and there will be a stepladder finals with position determined by points won in qualifying. The stepladder finals will consist of single game, Baker style matches. Eligible teams consist of the following:

- A SASBA member age 60 or above, a non-champion, and any other SASBA member
- Two SASBA members age 60 or above and any SASBA member
- Any three SASBA members age 60 or above

Points are awarded for each game won leadoff position vs. leadoff position, 2nd position vs. 2nd position, 3rd position vs. 3rd position, anchor vs. anchor, and team total pin fall vs. team total pin fall. Each round is a position round and there will be a stepladder finals with position determined by points won in qualifying. Total pins is used as the tiebreaker for all positions in the standings. The stepladder finals will consist of single game, Baker style matches. Eligible teams consist of the following:

- A SASBA member age 60 or above, a SASBA member of any age, a woman of any age, and any other bowler of any age/sex
- No two PBA or PWBA National Tour champs can bowl on the same team.

Over 70/Over 60 Doubles (Entry fee: \$190) - This tournament format requires two SASBA members to enter as a team. Each team member bowls six games on Saturday and three games on Sunday and their total pins are combined to determine their qualifying position. The qualifying teams then bowl Baker doubles style match play games against the other teams with 30 bonus pins for winning each match. The winning team is determined by total pins from Saturday plus Sunday. Eligible teams consist of the following:

- A SASBA member age 70 or above and a SASBA member age 60 or above
- No two PBA Tour champs can bowl together

Annual Team Tournament (Entry fee: \$190) - This tournament requires bowlers to enter individually. Teams are selected by a computer program based on each bowler's SASBA average from that year. The program defines teams so that each team average is as close to the same as possible. Each team bowls matches against other teams on Saturday and Sunday. Points are awarded for each game won leadoff position vs. leadoff position, 2nd position against 2nd position, 3rd position against 3rd position, 4th position against 4th position, anchor against anchor, and team total pin fall against team total pin fall. Each round is a position round and there will be a stepladder finals with position determined by points won in qualifying. The stepladder finals will consist of single game, Baker style matches. All bowlers who have bowled in three tournaments in the last year are eligible.

Non-Champions (Entry fee: \$180) - This tournament requires bowlers to enter individually. All SASBA members (any age) who have not won a SASBA championship bowl together using the regular singles format.

Firecracker Tournament (Entry fee: \$230) - There are two separate tournaments in the Firecracker Tournament...60 and over (Super Seniors) and 50-59 (Seniors). Qualifying is eight games on two separate days...depending on when July 4th falls. The top third, up to 16, in each tournament make the finals on the last day of the tournament. Seeding and byes are allotted according to qualifying scores. The finals is match play (two games, total pins)...double elimination. Everyone making the finals bowls at least two matches. The winner's bracket survivor bowls the loser's bracket survivor. The loser's bracket survivor has to win two straight matches to win the tournament. The winner's bracket survivor has to win one match for the title.

Member/Guest Doubles Format (Entry fee: \$190) - This tournament requires the bowlers to enter with their partner. Each team member bowls eight games on Saturday and their total pins are combined to determine their qualifying position. The qualifying teams (1 in 3, up to 24) return on Sunday for Baker doubles style match play games against the other teams with 30

bonus pins for winning each match. The winning team is determined by total pins from Saturday plus Sunday. Eligible teams consist of the following:

One member/guest doubles tournament a year will be designated as the "Open Doubles Championship". This tournament will be open to any member and any guest with these exceptions:

1. No two PBA Tour champs can bowl together
2. No two who won a M/G Doubles as partners can bowl together.

For all other M/G Doubles...if a member won as a guest, but has not won a member/guest doubles as a member, he/she is eligible to bowl with anyone...whether they have won or not. If a member has won one member/guest doubles as a member, he/she can still bowl with anyone except the one he/she won with. Once he/she wins two member/guest doubles as a member, he/she can no longer bowl with a guest who has won a member/guest doubles.

Age Bracket Tournament (Entry fee: \$230) – This tournament has three separate age brackets (50-59, 60-69, and 70+). One in three entries in each age group (up to 16) qualifies for the Sunday match play finals based on eight games bowled Saturday. The finals in each age group consist of two game matches. Byes are allotted according to qualifying scores. The leaders in each age group then bowl a one game match to determine 1st through 3rd places. There also is a sweeper with added money on Sunday morning for those that don't qualify for the finals (no additional entry fee).

Notes: Most SASBA tournaments allow for a 1 in 3 cash ratio except the Annual Championship and Firecracker, which are 1 in 2. We also give checks for high non-cashing Super Seniors (except for Super Senior tournaments and Annual Championship) and for high non-casher Sunday blocks (in singles tournaments...except for annual championship).

For eligibility purposes, an annual team title does not count against you in the member/member doubles, trio or any tournament that has restrictions on a champion, with the exception of the non-champions tournament. A singles, doubles, trio or foursome title does qualify you as a champion in all formats.

"PBA Tour champs" means winners of a PBA, PWBA, LPBT, or PBA Senior National Tour event and does not include winners of PBA Regional Tour events or PBA Regional Senior Tour events."
