Summers, Stuntz, Matherne win 67/60/50 Trio at Cityview!

At Cityview Lanes in Fort Worth, TX the Baton Rouge trio of Randy Summers, Gordon Stuntz and Delery Matherne stayed near the lead all weekend and qualified 1st to await the title match. In the first game of the Baker-style staircase final, Gary Dickinson, Jerry Swank and Brad Hunter defeated Dee Munsell, Doug Barron and Mike McHugh 225-161. They then lost to Charlie Hufford, Glen Armstrong and Pete Thomas 223-210. Charlie and crew then defeated David Rountree, Rick Minier and Joe Lecroy 219-182. In the title match, the Louisi-

anans got an early 4-bagger and stayed clean the rest of the way to win 222-192. It was Randy and Delery's 4th title and the 3rd title for Gordon.

Thanks to the Cityview staff for hosting. The shot was tighter than normal, but fair and the AC worked great!

Our next tournament is e member/guest doubles at Copperfield in Houston, TX. It will be our 19th straight year to visit Copperfield. The following week, we will have a regular singles at Shawnee, OK at Fire Lake Bowl.

Bowl-Mor has now bought all of the BRC centers as well as AMF. This might make it harder on us to find tournament sites for next year. We will keep everyone posted. I'm already working on next year's schedule.

The 67/50/Guest trio at San Antonio has been moved from Thousand Oaks Bowl to Astro Super Bowl the last weekend in September. Start forming your teams now. The foursome at Cowtown is almost full. Send in your entries asap or you'll get shut out.

Jim's Notes

With the shot so tight, there were more chicken-wings than Hooters. Rudy got a SW and a CP in the same game. He also had High game of the tournament (299) along with T.J. and Pete Thomas. Ross is always trying to bowl my weight. He had one game where he didn't bowl his weight.

Jim's Tips: How do you know you're lined up in practice on a house shot? Just because you throw it great and it ends up flush doesn't mean that's the best line to play. If you don't happen to miss a little inside or outside, you'll never know if you have room to make an error or not. So, if you're warming up well and repeating well and every ball is flush, you aren't learning anything. Aim a board right or left

And see what happens. Move two and one deeper or two and one out. Those shots will give you more information than the previous ones and you'll know for sure.
