Out on The Twig

McQueen/Archer Win M/G Doubles at Copperfield!

At the 20th consecutive SASBA tournament at Copperfield Bowl in Houston, TX, Clarence McQueen and D.J. Archer qualified 1st and though they got knocked out of the lead a few games, stayed near the top and entering the title match... only had to stay within 34 pins of the 2nd place team Randy Summers and Gordon Stuntz. Clarence and D.J. reeled off the first 5 strikes to seal the deal while Randy and Gordon couldn't carry. In the meantime, the 3rd and 4th place teams of Don Richey/Anthony Lavery-Spahr and Rick Minier/Ryan Holland

both had big games going and were threatening to take over 2nd. Don and Anthony won that match 279-268 and took over 2nd. Summers/Stuntz slipped to 3rd and Rick/Ryan got 4th. It was Clarence's 1st SASBA title, but won't be his last.

Thanks to Mike Nelson, Bill Lillard and Pete Treybig for hosting again for the 20th time. They always make us feel welcome. The center was clean and the shot was fair. 300s were shot by Anthony and 79 years young Win Cockrell.

Our next tournament is a regular singles August 2-3 at Fire Lake Bowl in Shawnee, OK. Two weeks after that we'll be at Armadilla I in Pasadena, TX for a regular singles. The 70/60/50/Guest four-some is next and is almost full. The Super Senior singles at University Lanes in Denton is coming up Labor Day Weekend. It fills every year and is limited to the first 80 who enter. Sept. 13-14 is our next member/guest doubles in Hammond, LA at Tangi Lanes. It is limited to the first 48 paid teams.

Jim's Notes

Two ladies bowled. One made the finals. Two San Antonio teams bowled. Both made the finals. Four senior/senior team bowled and two made the finals... with the oldest team almost winning. I can't remember two super seniors making the finals in a member/guest doubles before, much less contending for the title, but Randy and Gordon did.

Jim's Tips: More on shoe soles. Its hard to get good, consistent leverage if your foot has not come to a stop before the ball passes your ankle. If it's still moving, it could be more than your timing. Maybe you just need to change soles. Conversely, if your foot is stopping too soon, you'll again struggle with consistent releases and balance. Maybe you need a slide sock this week, because your #10 sole stops too quickly. In

either case, try to get to your starting lanes soon enough to test your slide and change your soles, if needed. This simple preparation could save you getting a check or making the finals.
