Anthony wins 1st SASBA Title, Magoo 39th!

At the Annual Firecracker Tournament, which is really two tournaments, David Anthony defeated Jack Soria twice in a row out of the losers bracket to win his 1st SASBA title in the 50-59 Division. Bob McGregor went undefeated in the 60 & Over Division to win his 39th SASBA Title...beating Dale Eagle in the title match.

Other than his one loss, David ran off two-game sets of 524, 514, 504, 542 and 507 in his march to the title. Very impressive David! Mark Williams got 3rd place and Jeff Jannsen finished 4th. Bob McGregor, who won this title last year as

well, shot 474, 495, 472, 513 and 469 in defeating. Ron Leverich, Rob Pohlman, A.C. Adam, and Eagle twice. Bob keeps getting older, but his game sure ain't slipping! A.C. Adam was 3rd and Roger West nabbed 4th.

Thanks to Scott Craddock, Jamie Brooks and the great staff at Plano Super Bowl for hosting this event again. The scores were high, but very fair left and right. It was our 13 year of the Firecracker and 8th straight at Plano. Thanks to Max Gross for his help with the bracket sheets.

Mark Williams had the only 300 game. The matches were exciting as always. It's almost as much fun to watch this event as to bowl in it. More than 10 bowlers told me that this is their favorite event.

In two weeks, we have our 67/60/50 trio at Cityview in Fort Worth, TX. It'll be the Swiss format and we have lots of twosomes looking for a third bowler. Let me know if you want to bowl. The following week, we'll be back at Copperfield for the 19th consecutive year for a member/guest doubles event.

Jim's Notes

Gordon Stuntz is finally pain-free and throwing it great! There was a Joe Bess sighting. He got a check. Terry Beech and Rand McMicken share the Nolan Ryan "High Heat" award. The sound was deafening! Terry made it.

Jim's Tips: I can't emphasize too strongly the importance of getting your grip checked every year or so by a competent ball driller. As we age, our span changes, our grip weakens and armswing shortens. If you don't stay on top of these changes, you can lose your leverage at the line and you won't understand why. Just remember, you shouldn't have to "hang on" to the ball. It should hang onto you.
