Garcia/Boroff Win Squeaker in Mbr/Mbr Doubles at Cowtown!

In the Finals, three different teams had held the lead at one time or another. Entering the final game, Rudy Garcia and Ron Boroff led Mark Estes and Pete Thomas by 20 pins. Only 20 more pins back were Dennis Francis and Joe Lecroy... trying to win this title for the 4th year in a row. In the early going, it looked like Dennis and Joe might leapfrog over the top two teams, but an open slowed them down. An uncharacteristic missed spare by Estes was answered by Ron missing a 7 pin. Suddenly all three teams could win again. The defending champs ended with a 216. Pete hung a 4 pin in the 8th and Ron struck in the 8th. If either or both

opened, Joe and Dennis would fourpeat. Rudy struck in the 9th...as did Mark. Pete and Ron both struck the first ball in the 10th... mathematically eliminating Dennis and Joe. Ron struck in the 11th. Pete left a flat 10 and the two lefties had the title. It was Rudy's 5th title and Ron's 2nd. Their first win came in this event in 2009.

Pete and Mark dropped to 3rd, Roger West and Doug Hayes got 4th and Rick Lawrence and Matt Glover rounded out the top five. Paul Houston had the only 300. As in the last doubles, there was a tie for the last spot with Phil Bailey and Hank Jordan besting

Pat Currie and Ron Leverich in a one-game rolloff for the 12th spot. Phil Kepner struck the first 37 times he bowled in the finals...a one-man Baker 900!

Thanks to Jamie Brooks and crew for being great hosts. The shot was high scoring and very even left and right.

Our next tournament is next week at Hog Pin Bowl in Lawton, OK. It is a Mbr/Guest Dbls event and limited to the first 48 teams to sign up. The following week, we're back at Cowtown for a SS/Guest Doubles... limited to the first 64 teams to enter.

Jim's Notes

Rand McMicken made his first finals. There was a Bill Smith sighting! Rountree's throwing it great! So is Doc! Brian Clark picked up the 7-10 split!

Jims Tips: More on shoes. You probably shouldn't wear a slide sock 100% of the time...just like you probably shouldn't wear a No. 4 sole 100% of the time. If you are sticking, you won't repeat shots. If you are slipping, you won't repeat shots. Try to get to the bowl 10 min. earlier and spend that time making sure the sliding surface/sole combination is exactly what you need to get the foot stopped before the ball

passes your ankle. Repeatability + More leverage = higher scores.

2. Pete Seibel 516
