Rick Minier wins 19th SASBA Title!

Rick Minier took the tournament lead the first game of the Sunday morning qualifying block and led the entire finals. Entering the title match, he had to stay within 50 pins of Mike McHugh to hold off Mike, who shot lights out on Sunday. Gordon Stuntz and Troy Schanne were close enough, but needed a huge game to pass the leaders. Gordon started with a five bagger to jump in front of Troy. Mike had some tough carry early, but after an early four bagger, Rick lost his carry. Mike started striking and matters weren't decided until Gordon had a few spares...mathematically eliminating him from 1st. Rick split in the 10th, al-

lowing Mike to win their match 236-224, but Gordon could still nab 2nd with a double in the 10th. A split foiled his bid and he wound up third, winning 235-214. Thomas Young jumped to 4th and Troy held on to 5th...his highest finish to date.

Thanks to Scott Holmes for being a wonderful host. He has transformed Tomball Bowl into a bright, cheery bowling center. He wants us back again and will work with us to build this tournament.

300s were bowled by Jack Soria, Tony Escoyne, Ray Graham, Clyde Fravel, Gary

James and Donald Robinson. Ray made the finals in his first tournament and finished 6th.

Our next tournament is the Annual Non-Champs event at Brunswick Westcreek in Fort Worth, TX. The following weekend (4th of July Weekend) is The Firecracker at Plano Super Bowl. Half the field cashes in The Firecracker. Sweepers on Thursday, Qualifying on Friday and Saturday and double-elimination match play finals on Sunday. It's two tournaments in one...50-59 division and 60 & over. There will be \$2000 added on each side.

Jim's Notes

Thurman Thomas Sr. showed flashes of 1995...his rookie year as he made the finals. We had two new bowlers in Tomball. Kenerson was there. Tony Houston finally got rid of the TET Award...passing it on to Marvin Biagas.

Jims Tips: Mental Game stuff-I tell all my students "Just win the next shot". Easier to say than to do, I know, but if you try and bowl while still dwelling on a tough break last frame, last game or yesterday, you have minimized your chances for success on the next shot. A bowler has to have a short memory...just like an NFL cornerback. React emotionally, if you wish, but if you take longer than 5 seconds to get over it,

you're hurting yourself.
