HAYES HANGS ON IN FINAL GAME OF MATCH PLAY

Turnout for Clarksville's stop at the Pinnacle was a little behind our first tournament at Strike Zone in Southaven MS. Again the weather may have played a role, with deadly tornadoes hitting a large area of the Southeast on Tuesday evening.. We started qualifying Saturday morning with 41 bowlers. .

A 290 game in the 8th game on Saturday moved Doug Hayes into the lead of qualifying. Appearing on Sunday in his Ebonite "victory red" shirt, Hayes went into the final match with a 57 pin lead over George Pappas. George started with a four bagger while Doug had two open frames early causing the lead to dwindle. Final score, Hayes 192, Pappas 186, allowing Doug to claim his 4th title.

Ron Ware made the biggest jump in the final match by shooting a 275 game and moving from 6th to 2nd. George held on to 3rd, Jim King 4th and Wayne Ezell 5th.

Not to be outdone by brother Ron, Don Ware also moved up four spots in the final game of match play shooting a 254 and moving from 12th to 8th.

After the Saturday block the bowlers enjoyed a lunch of Whitt's BBQ provided by Doug and Delilah. DL Moody was quick to notice the lack of BBQ

sauce, a must have staple. The cavalry was called and the sauce was soon delivered. DL also studied the advertisements in the Men's restroom....pole dancing classes. We don't think he signed up??

Speaking of dancing, several bowlers were spotted supporting fellow competitor Larry Cantu and the "Silvereagle Band" at the Moose Lodge on Saturday night. Anyone wanting more details about this outing should contact Ron Ware...we hear there are plenty of stories and may be even a few pictures.

Bill Poff, Derold Millsaps and Earl Bell each rolled a perfect game. Bill earned an extra \$100 for using an Ebonite ball. High Sunday block winner Sam Sands also had a 290 game.

Our next scheduled tournament is April 12-13, 2008 at Cotton Bowl in Southaven MS. No tournament is currently scheduled for March, however, we are working diligently to get one in place.....any ideas.....let us hear from you.

We hope that you early birds can adjust your schedule to this newsletter being posted by Wednesday evening following the tournament....We may get a little faster, but remember patience is a virtue..
