DROUGHT ENDS FOR FLEMING AT COTTON BOWL

The first tournament of the year with nice weather and we still managed to have a great turnout at Cotton Bowl in Southaven MS.

Mike Fleming kept on rolling after his Sweeper victory. There were a few lead changes on Saturday, but Mike held on for the pole position after Sunday's final four games of qualifying, with a 241 average. He went 7-1 in match play, losing match 5 with one of his two sub 200 games, of the entire weekend.

Rich Goodrich moved up 4 spots in match play to finish 2nd, with Jim King 19 pins behind in 3rd. The biggest move in match play went to Ron Garr who moved 6 spots from 14th to 8th. Oops, Doug made the biggest move but, in the wrong direction from 3rd to 10th.

New Memphis member, Donnie Acklen, missed cashing in his first tournament by 18 pins. He started the tourney with a fine 288 game.

Eddie Russell cashed in the brackets and took out two big guns on the big board. Troy Nixon managed a 114 game two of qualifying.

We had one tie for a high game pot....of course it would be a 300 game shot by Ralph Pridmore and

Grady Creasie. Ralph earned a \$100 for using his Angular One. Johnny McPhail also had a 300 game, Ron Woodruff a 299 and DL Moody had his first ever 298.

The staff of Cotton Bowl provided great service along with several added perks to include casino buffet tickets, discount coupons for Chick-fil-A and Bath Junkie, individual souvenir pictures for all participants. Thanks to all and also to DL for working hard to make this a successful event.

Louie Manzella lost his street shoes, but they were found. Tony Churchey is transporting them back to Alabama. Ed Campbell left a small box of stuff...I guess he was in a hurry to get the heck out of Dodge. We hope Ron Sowa's back is on the mend. Good to see several old faces for the first time this year.

Our next scheduled tournament is May 31-June 1 at Galaxy Lanes in Columbia, TN.

We did not meet our newsletter deadline of Wednesday evening, but the tax man calleth as does normal work obligations. Again, timeliness will improve... but always remember patience is a virtue..
