## HAYES WINS #5 AT GALAXY LANES IN COLUMBIA TN

We wanted nice weather and we got "HOT" weather instead with humid conditions inside and out. The weather did interrupt the tournament with a short power outage of thirty minutes during match play on Sunday.

The lowest turnout of the year also resulted in the lowest scoring tournament of the season. First tournament with no honor scores being rolled.

Terry Taylor of Nashville bowled in his first SASBA tournament. Sunday's scoring was not as kind to him. Maybe he should have wore his Saturday pants again for good luck. Mark McNutt also bowled in his first SASBA. He had such a good time Saturday he didn't come back on Sunday, but we know we will see him again soon. Larry Swanson made his first tournament of the year. He also had the low game in qualifying, 124.

Ben Edwards got the last spot for match play with -39 and proceeded to make the biggest move in match play to finish 2nd. Eddie Russell was having dreams of being in Columbia, he liked the scores that were being posted on the SASBA website.

Charlie Hufford did not like lanes 29-30, but he also did not let it get him "down", coming back with a fine 236 in position round of match play.

Fourteen games of match play were won by games below 200. Doug won three games with 190's. Roger West who always does well in Columbia moved from 9th to 3rd in match play, notwithstanding his bad arm that is still on the mend. DL Moody liked qualifying in 7th place so he just stayed there.

Our next scheduled tournament is June 21-22, 2008 at PlaMor Lanes in Huntsville, AL. Motel rooms are at a premium, Decatur AL may be the best bet. Please see motel information on the back page. Let's try to hit the 50 mark for entries, bring a friend.

We did not meet our newsletter deadline of Wednesday evening, nor the next Wednesday. We don't want to sound like a broken record but there are many issues going on other than bowling. Again, timeliness will improve... but always remember patience is a virtue..

### GALAXY LANES / COLUMBIA SWEEPER RESULTS

Thirty five entries were posted in the Friday afternoon Sweeper. A total of \$560 was paid out to nine bowlers. Low to cash was 400, yes this is not a typo. Ramon Delgado enjoyed cashing for the 4th spot in the sweeper. Again the sweeper ended up being a prelude to who the big winner would be for the weekend as well as the overall scoring conditions for the tournament.

## INFORMATION FOR NEXT EVENT

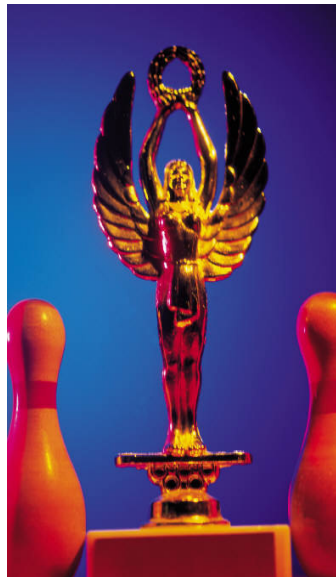

We tried the Ebonite tournament and bracket program in Columbia. A few bugs, that should be solved by Huntsville. Its use did eliminate an extra computer and printer which makes for a little more room in the vehicle.

Let's try to get our entry numbers up to 50, it makes for a much nicer payout, Calcutta and overall tournament.

Thanks to Mike Ransom and his staff at Galaxy Lanes. Our sympathy goes out to the family of Corey Sanders and the Columbia bowling community, his smile and talent will be missed.

Let's roll....bring a friend.
