TEAM MAXIM WINS MAXIMUM

A decent turnout for a last minute Team stop in Clarksville TN, at Skyline Lanes. Most cannot fully appreciate this center unless you know some of the center's history.

Automatic scorers were added in the last six years and underground ball returns were just installed summer 2009. The real history is the fact that the center was segregated in the early 50's. The high end had it's own entrance on the backside of the building and was called "Olympic Lanes", in honor of Clarksville native Wilma Rudolph.

A goodtime was had by all that participated, hopefully we can have another team stop in 2010 with greater participation.

LADIES NO TAP

Seven ladies remembered to bring their equipment. They had a great time bowling in our little no tap tournament before bowling started Saturday morning.

SPECIAL THANKS

A special thanks to Laura for helping get scores at several tournaments, setting up the Ladies No Tap and doing whatever needs to be done. Thank you, thank you, thank you. Is that a Turkey thank you?
