JIM VS JIM FINALS-- KING WINS THRONE

A small field, but a great tournament. Several new faces as well as old returning faces. Glen Nakagawa, Kathy King, Stephen Adams, Tim Lay.....thanks for coming out. Stephen Adams made the finals, hope to see you again.

Jim King loves coming back after being out for health issues.....the rest must help him settle down and focus for his triumphant returns.....we think this is the 3rd time he has won the first tournament after a health break.

We had one female entrant for this stop, Kathy King, bowling in her first SASBA. Her scores did not reflect her true bowling skills, we know she will fare better in future tournaments.

SWEeper RESULTS

A decent turnout, thirty-eight, for the Friday afternoon Sweepers. A "BIG" thank you to Reggie and Josh for doing a great job running the Sweeper and the brackets while we were traveling.

When we receive Reggie's pictures of all the winners, we will post a few in upcoming newsletters.

Our next stop is May 1-2, 2010 in Trussville, AL (Birmingham area)....hope to see you all there. The center is very nice, as well as the surrounding area. There is no a host motel for this stop.

Check the website for upcoming events, let's finish the year with some bigger turn-outs, higher scores and larger prize funds.

YUM-YUM-YUM

Are the bowlers treated great in Monticello, or what? Bottled water is delivered to the bowlers during all competition Both Saturday and Sunday mornings we are treated to a freshly cooked breakfast with all the fixings. But the meal on Saturday was over the top. An all you can eat \$10 crawfish boil complete with boudin was prepared in the bowling center parking lot. Delilah ate her first crawfish.....Doug went to the room. The food was outstanding and the fellowship was superb.
