## Saale Sails to Win at Monticello

A change in Saturday's start time did not accomplish the desired results of a bigger field. But, the SE region rolls on trying to make do with the few bowlers we have participating in our stops. At the Monticello stop this required a change in the tournament format, to a Masters format, all match play both days. It would be different for everyone to get to bowl match play and bowl more than the normal 12 games. To those who enjoyed the tournament we thank you and to the others who were dissatisfied we apologize.

Mark Saale had no complaints as he won the

Sweeper and the tournament, leading both days. First title for Mark, way to go.....great bowling from start to finish, it was your weekend the entire way.

We had great food as we always do in Monticello....a large group went to The River on Friday night and majority ate at the lanes' Crawfish Boil on Saturday. Oh, and we can't forget breakfast Sunday morning at the lanes.....thanks Reggie, Josh and staff

No honor scores, no lilies, pretty uneventful weekend. The blind did finish in 12th place officially.

See you Maumelle.....

Our string of sell outs ended with one ball and one bag left in inventory, again thank you.

Next stop, Millenium in Maumelle AR....May 19-20, 2012. A M/G format, but paired based upon your qualifying scores. It should be fun, yes it is different and it has been planned, announced and promoted as such.
