Minier heats up in Finals to win in Baton Rouge!

Consider the following...Mark Williams averaged 238 in the qualifying to lead the field. In the first seven games of the finals, he averaged 238 as well...yet he now trailed Rick Minier by 163 pins. Rick averaged 260 for the finals and won his first seven matches. Nobody else could figure out the carry as well

as Rick and Mark. Pete Thomas finished with a rush for 3rd, Dale Dumbleton got 4th and Jim Stephens rounded out the top five.

Thanks to Kenny Winstead and Rusty Bethley for their hard work obtaining sponsors and promoting the tournament. The Metro Bowl staff worked hard as

well. Rusty Beach made his first finals. Dumbleton, Stephens and Robert Dunaway had the only 300s.

Our next tournament is a regular singles next weekend at DelMar in Houston. The following week is the mixed foursome at Plano Super Bowl.

Jim's Notes

Claude joined the lily club. Delery lost his wheels. Kenny Winstead almost made it. The Legend Slayer got a check. Lance is still smiling. No septuagenarians made it this week, but "The Professor" and "The Swamp Fox" both did.

Jim's Tip: Are you feeling pressure during a tournament block. One way to help this problem is "clearing" after each shot. Build it into your post-shot routine. For a few seconds or so, think about something entirely unrelated to bowling. It can be anything: spot on the floor, cute baby...anything at all. Then take a deep breath and start your pre-shot routine for the next shot. This helps keep the tension from building up in your arms and legs.
