Brian Clark wins in first tourney!

Sometimes fairy tales do come true. Brian Clark won his entry into the tournament in local qualifying at Lake Air Lanes in Waco, TX. He bowled okay on Saturday, but not good enough to bowl on the late squad. On the early squad, he shot +140...just enough to grab the last spot in the finals. Roger West led the qualifying, but after game 4, Mike Warren was in 1st. After game 5, Mark Rushing led. All the while, Brian was climbing the ladder...winning his

matches and shooting solid scores. After game 6, Merv Parrish was in first and only 80 pins separated the top 11. Brian shot 279 in game 7 to enter the title match leading Mark Rushing by 43 pins. Mike and Merv were close behind. The outcome was undecided until Brian struck the first ball in the 10th to seal the victory. Danny Adkins shot 278 to climb to 3rd and Mike Warren moved up to 2nd. Jim Baldwin was

working his own magic in the last game...shooting 299 to leapfrog over 5 bowlers and get 4th place. Rushing held on to 5th.

Thanks to Rob Piacente and crew for hosting. The shot was tricky and everyone caught at least one tough pair.

Our next tournament is a regular singles at Sunny Lanes in Oklahoma City. Two weeks later, we're in Tulsa for a regular singles.

Jim's Notes

Rudy Garcia had the only 300. Janssen left the lily. We had four first-time bowlers. Two made the finals...Clark and Edy Kelley. With one step, Rasti used to be "slide". Now, with four steps, he is "quadraslide".

Jim's Tip: Seems like a lot of bowlers have "over/under" on fresh oil. That's when you miss right (right-handers) and the ball over hooks and you miss left and the ball skates too far. What are the adjustments you can make? 1. Go to more surface to even out the breakpoint 2. Go to different layout to achieve the same. 3. Use a "softer" release with the same ball. There might be a few others, but these three are the most common.
