## Out on The Twig

### Butch Calvert, Lynda Barnes win Member/Ladies Doubles!

In our first member/ladies doubles in 12 years, Butch Calvert and Lynda Barnes won 10 of 12 matches in the finals and grabbed the title at AMF Richardson Lanes. Entering the title match, Daniel Adkins and Kristin Warzinski, who barely made the finals Saturday night, were in second, trailing by 85 pins. They could have won the tournament if they won the match by 56 pins. Butch and Lynda pulled out a 236-235 victory to nail down 1<sup>st</sup> and send Danny/

Kristin to 3<sup>rd</sup>. Qualifying leaders Shannon O'Keefe and Pete Thomas won their last match to climb back into 2<sup>nd</sup>. Jim Stephens and Stefanie Nation got 4<sup>th</sup> and David Zapitelli and Elizabeth Sienicki rounded out the top five.

Thanks to Dennis Kuhn and staff for being great hosts. The shot was fair and held up well.

Shannon and Jim had the only 300s. This tournament was so much fun for all who participated,

we will have it again next year. We'll try to make it bigger and better. As many great lady bowlers as there are now, we should be able to do it. The growth of the college and high school programs over the last decade or so has produced some great bowlers.

Our next tournament is the member/member doubles at Cowtown next weekend. Two weeks later, we'll be in Euless for the regular trio event.

#### Jim's Notes

Butch beat Mike! It was fun watching the SASBA seniors striking out in the 8<sup>th</sup>, 9<sup>th</sup>, and 10<sup>th</sup>...to get within 20 pins of their lady partner. We had several husband/wife teams and father/daughter teams. One of each made the finals.

**Jim's Tip:** Are you sliding too far? Unless you have severe knee problems, your slide foot should be stopped when the ball passes your ankle. Otherwise, you lose leverage and consistency. Also, not stopping in time can lead to extreme muscling and cause strain on your shoulder and/or wrist. This makes bowling shoes with interchangeable soles and heels more important as you go from center to center.
