## Out on The Twig

### Ken Johnson wins first SASBA Tournament in Non-Champs at Cityview!

Ken Johnson, bowling in his first tournament as a SASBA member led the qualifying, then exchanged leads with Clarence McQueen and Danny Inocencio during the first seven games of the finals. Entering the title match, Ken led Clarence by 20 and Danny was close enough in third to pass both if he shot big enough. Clarence had an early split and Ken started XXX/XX. Danny had the front six and got up and struck in the 7<sup>th</sup> and 8<sup>th</sup>... putting the pressure on Ken. If Danny beat him by 49 pins he

would win the tournament. Ken struck twice more. Danny hung a 10 pin in the 9<sup>th</sup>, then struck out for 279. Ken spared in the 9<sup>th</sup>, assuring him the victory and ended with 248... winning by 20 pins. Mike Moscato finished strong for 4<sup>th</sup> and Jack Soria rounded out the top five.

Thanks to Bill Blackerby and crew for being gracious hosts.

300s were shot by Dale Patterson, Pete Seibel, Johnson, Mo Hestand, Danny, Jimmy Fowler, Den-

nis Scott and Steve Sherrell. Several bowlers made their first finals and we had 100 entries...the most in this tournament in 10 years or so.

Our next event is the 70/60/50/guest foursome next week at Cowtown Bowling Palace in Fort Worth. We have several twosomes and threesomes looking for bowlers, so call us if you want to bowl in this event. Labor Day weekend, we have a Super Senior singles at University Lanes in Denton, TX.

#### Jim's Notes

Perry Powell left the lily in the sweeper. George Barnes picked up the Greek Church. Coats stole Soria's equipment. Leon and Sal were "booming it". The new Brunswick NeXXXus Pearl is a beast! Mark Payne got the TET Award. Rene beat Lil! Clayton got a check. So did Van Haasen!

**Jim's Tip:** Most bowlers are well stocked with big

hooking solids and pearls that have a big back end, but a lot of bowlers are missing a very important part of their arsenal... an entry-level ball that goes long and has a predictable back end. When the mid-lanes are inconsistently dry, you need a ball that clears the heads and mid-lane and still gets into a roll and hits. The Brunswick Karma is a great example of this type of ball.

#### Friday Sweeper Results

1. Sandy Soule 546
2. John Reichert 536
3. Rob Pohlman 525
4. Shawn Rasti 487
5. Terry Beech 485
