Out on The Twig

Jack Soria wins first SASBA title with Eric Traylor!

In an evenly contested finals where several different teams held the lead at one time or another, the team of Jack Soria/Eric Traylor led entering the title match by 43 pins. They had to stay within 13 pins of Rudy Garcia/Taylor Coggins. They started with a turkey, spare, then four bagger and another spare. Rudy and Taylor had a turkey, three spares, then off the sheet for 256. Eric had to mark with good count in the 10th. He threw a double and they shot 257 to win the tournament. D. J. Archer and Pete McCordic got 3rd, Eric Roddy/Ashley Soloman

got 4th place and Phil Kepner/Ted Pritts rounded out the top five.

Thanks to Randy Ray, Dana Browder and Bobby Browder for being outstanding hosts. They do the little extra things that make us feel welcome and Dana makes the best banana pudding in the world.

Robert Lawrence, Traylor, Paul Henderson, Charlie Mills, Dennis Francis, Van Maryland and Shawn Maldonado all had 300s in the qualifying. In the Baker finals, Garcia/Coggins, McCordic/Archer, Jeff

Clark/Charles Vaughn, Clyde Fravel/Jeremy Evans and Mark Busscher/Paul Henderson all recorded perfectos.

Our next tournament is the Age Bracket at Showplace Lanes in Austin, TX June 1-2. The last weekend in June, we're in Little Rock at Millennium Bowl for a M/G all-baker doubles. Everyone bowls two days in that one. We'll have the meeting at noon and start at 12:45 on Saturday. Sunday morning, everyone bowls at 8:45 with finals to follow.

Jim's Notes

Jeremy Evans will have the world's first ankle transplant after smashing his with his bowling ball... twice. After Soria's finals experience, we may have to start supplying oxygen for our seniors. Kirk and Bobby almost made it. Neptune's spurs were too sharp. Van Maryland bowled great! Clark picked up the Big 4.

Jim's Tip: When it's easy to get to the pocket, you can't settle just for hitting the pocket and dratting your bad luck when you don't carry. Delve deeper. What are the bowlers who *are* carrying doing that you aren't. Entry angle different? More deflection? Slower speed? Tighter line? Whatever the pins want, try to give it to 'em. You might just discover talents you didn't know you had.
