

Magoo, Pete Thomas win Firecracker Titles!

In the 50-59 tourney at The Firecracker, Pete Thomas qualified 5th, but sailed through the match play undefeated before facing Joe Lecroy, who had survived the loser's bracket. Pete won the match to gain the title, his 4th since turning 50. In the 60 & over tourney, Bob McGregor, a recent septuagenarian, led the qualifying, and survived the winner's bracket. However, in the first match, Phil Bailey beat Bob 470-446. After losing the first game of the title match 236-199, things looked bleak for Bob. He rebounded by running off the front seven, and finished with 277 to win his 38th SASBA title.

Thanks to Scott Craddock and Jamie Brooks for being gracious hosts. The pattern was high scoring all weekend.

We had 300 games by Ron Leverich, Magoo, Lecroy, Fred Barnes, Pender, George Vaughn, Everett Underwood, John Delaney, Mark Williams, Ken Johnson, and Thomas. As usual, lots of great scores went down to defeat in the finals. Blane lost with 537. Mark Williams with 511. John Martin with 503. Merv Parrish with a 494. Bailey with 493 and Minier and Ken Johnson with 491s.

Our next tournament is the 67/60/50 Trio at Showplace Eules. The following week, we'll be in Shawnee, OK for the first time at Fire Lake Bowling Center. They have a casino and brand new hotel there and we're looking for a big turnout. The last weekend in July, we'll be at Copperfield in Houston, TX for a Member/Guest Doubles Tour.

Jim's Notes

Pender threw it great! So did Sandy. Ronnie cleaned up! John Martin shot 277-265 the last two games to make it! Butch Kirby just missed. Doug Barron picked up the Big 4. Leon is suing for lost entry fees in past tournaments!

Jim's Tip: More on adjusting to carry. If you're hitting the pocket consistently, but losing lots of hits with flat 10s (righthander), stone 9s, etc. and don't do anything but change balls, you might not notice what the pins are really wanting that day. The secret can be something as simple as changing the position of your little finger to change the axis of rotation and/or tilt to changing ball speed slightly (un-muscled) to affect the amount

of deflection or entry angle.
