OZIO/LARACUENTE ROMP!!!

David Ozio shot the 4th highest all-time 8-game series on Saturday (+514). Partner Marc Laracuate wasn't far behind with +407. The opened up almost a 400 pin lead and then proceeded to win 9 of their 12 matches and average over 240 Sunday and pull away from the field. A doubles team may have bowled better somewhere, but this writer has never seen it. Congratulations David and Smurf.

Sean Swanson and Jimmy Young outdueled the rest of the field to get 2nd. Jerry Swank and Royce Rusher got 3rd and Kerry Painter and Mark Glover nailed down 4th place. Bruce Campbell made his first finals. Fred Weller is 2 for 2. Dean bowled great!

Thanks to Shane Gillmore and crew for being extra special hosts again. Needless to say, the shot was high scoring.

Ozio, Estes and Steve Thompson all had 300s. Bill Poff got "Dog of the Week"

with a beautiful 146. J.R. was glad he missed the finals. Ask him why? Travis beat Roger! Big Ted bowled great, despite dragging Kenny T. Don Wall is throwing it better than ever!

Our next tournament is a regular singles in Union City, TN on Aug. 26-27. They always have a big pro-am there so wives and girlfriends who want to bowl, call and reserve your spot.

If you need a partner for the Labor Day Shootout in Lafayette, LA, please let me know. We have many good players down there who want to bowl.

We visited Southern Lanes in Bowling Green, KY, where we will be making our first stop next month and what a beautiful center! 34 lanes, huge arcade, batting cage, miniature golf, pro shop, snack bar, lounge and more! If you live within range of this tournament, please try to make it. Its our first trip to Kentucky and we want to have a good showing.
