

Pete Thomas/Clara Guerrero Romp in Plano!

In the SASBA/Ladies JDRF Doubles at Plano Super Bowl in Plano, TX, Pete Thomas and Clara Guerrero led qualifying by 223 pins...both averaging over 250. They continued the torrid pace in match play and ended up winning by 620. We're not sure if that's a record, but it's gotta be close. Joe Lecroy and Carolyn Dorin-Ballard bowled well enough to win most tournaments and finished 2nd. Rick Minier and Maria Rodriguez came in 3rd, Mike Warren and Kiyoko McDonald finished 4th and Tam and Lisa Wasson rounded out the top five.

Thanks to Jamie Brooks, Scott Craddock,

C. J. Johnson and crew for being great hosts! The pattern was high scoring and fair on both sides. The effort put forth to conduct the Pro-Am was Herculean! Way to go Plano Super Bowl!

This event was a star-studded affair. Lots of great teams did not make the finals. The Pro-Am was "a happening"! That, combined with a raffle, silent auction, pledges and individual donations helped raise \$23,772 for JDRF. Congrats to all who sold tickets, bought tickets, bowled the Pro-Am or participated in some way. All SASBA

members should be proud of this accomplishment! A special pat on the back to Mark Busscher and family, Mike McHugh, Mike Lynch, Marshall Medlin, Jamie Brooks, Pat Currie, Charlie Pickett, Dee Munsell and of course Chris Johnson and Lynda Barnes.

Our next tournament is our Annual Championship at AMF Showplace Eules in Eules, TX. Half the field cashes in this tournament. The following week is a regular singles at Del-Mar Lanes in Houston, TX.

Jim's Notes

300s were shot by Lisa Wasson, Tam Wasson (on their anniversary), Cindy Mann (her 1st) and Cordell Wilder! Busscher had to withdraw due to a torn bicep (we think). Get well soon Mark. Randy Hiam and Gary Ezell made their first finals. Congrats guys!

Jims Tip: More on lane play. Again at Plano, it was evident that small moves (1 or 2 boards) can get you into more trouble than staying put. We've all been bowling a long time. We have to "think outside the box" when it comes to adjusting to lane transition. Instead of traditional 2 and 1 or 1 board moves, try to envision playing a different section of the lane. When most players started inside you, you're going to have to take a

"giant step" inside to find heads and midlanes that will allow you to get the ball to the pocket...with energy left.
