Mike Fleming Wins 19th SASBA Title!

In a hotly contested final, where six different bowlers held the lead, Mike Fleming was in 2nd place entering the title match. Mark Estes was the leader, having just shot 299 vs Mike in the previous game. Mike had to beat Mark by 20 pins to pass him. Hank Jordan in 3rd, was close enough to win as well. Mark had a few splits early to take him out of it. Mike shot 236... insuring a tie. If Hank struck out in the 10th, he and Mike would have a one-game rolloff. Hank hung a 10 pin, leaving him in 3rd. Mike Edwards shot 277 the last game to jump

to 4th and Charlie Hufford rounded out the top five. Sometimes, the bowler who knocks down the most pins wins, sometimes the one who wins the most matches wins. Mark and Hank both averaged higher than Mike, but didn't win as many matches. Mike got his knees doctored up and looked like the old Mike. It was his first title in five years, but it won't be that long before the next one.

Thanks to AMF Boulevard for hosting us. The shot was one of the most equitable

ever. Tweeners, boomers and straighties on both sides could get to the pocket. The scoring level was a little higher than normal, but it was possible to get lost and shoot under.

Our next tournament is the Non-Champs next week at Cityview in Fort Worth, TX. Two weeks later, we'll be in Monticello, AR for a regular singles. Hopefully, a lot of the Southeast bowlers will be there. It will be good to go back to Marquee Lanes.

Jim's Notes

We had three ladies entered. One made the finals and two got a check. We had eleven new bowlers. Very encouraging. Thanks to Paul Pender and Jerry Beavers for exemplary recruiting. Five Super Seniors made the finals and finished 1, 2, 5, 6, 10. Great showing! Vowell is back! Engquist got a check!

Jim's Tip: Common Sunday morning comment after a good block: "That ball was in the car all day Saturday. How dumb can I be?" One of the reasons players like to bowl the sweepers is so they can try out different balls on Friday to give them a better game plan for Saturday. When you walk in just before your squad starts, you have to "match up" quickly without an idea of how the lanes are going to transition.

Intricate knowledge of your ball arsenal becomes paramount. So, practice on varying lane conditions to achieve this.

Friday Sweeper Results

1. Charlie Hufford 506
2. Gary Dickinson 505
3. Dale Painter 503
4. Pete Thomas 503
5. Mike Edwards 461
